

JOHN HENRY SCURR

Consultant General & Vascular Surgeon

John Scurr is a Consultant General and Vascular Surgeon. He trained as a surgical oncologist with an interest in arterial and venous disease, he ran the Breast Clinic at University College Hospital, before developing the Vascular Unit at the Middlesex Hospital, resulting in it being combined with the Vascular Unit at University College Hospital. He has a large active international clinical practice and many research interests. He has written extensively producing article for peer-reviewed journals and many books.

He developed an interest in Medico-Legal claims, in particular surgical accidents. He has prepared many expert reports advising Claimants and Defendants on a regular basis. He trained as a Mediator at Regent University in October 2015.

Present & past appointments:

Consultant General & Vascular Surgeon at the Middlesex and University College Hospitals, London W1

Emeritus Consultant Surgeon at University College Hospital

Honorary Senior Lecturer in Surgery at Royal Free Middlesex and University College Hospital Medical School, University of London

Honorary Consultant Surgeon to St Luke's Hospital for the Clergy

Consultant Surgeon at The Lister Hospital

Consultant Surgeon at The Cromwell Hospital

Consultant Surgeon at St John & Elizabeth's Hospital

Consultant Surgeon at the Beacon Hospital, Dublin

Medical Advisor, Guild of Air Pilots & Air Navigators

Scientific Executive Committee, World Health Organisation

Former appointments:

Chairman Venous Forum

Chairman Union Internationale Phlebology 1995

Assistant Director Department of Surgical Studies, Middlesex Hospital Medical School, London W1

Lister House, The Lister Hospital, Chelsea Bridge Road, London. SW1W 8RH
0207 259 9216, medleguk@btconnect.com, www.jscurr.com

House Surgeon and Lecturer in Surgery & Physiology, Middlesex Hospital, London W1

Director of Bloomsbury Breast Clinic 1985 to 1992

Registrar, Orsett Hospital

Registrar, Westminster Hospital

Senior Registrar, Westminster Hospital

Honorary Consultant Surgeon, London Foot Hospital

Qualifications:

BSc (First Class Honours in Physiology) 1969

M.B.B.S (Honours) October 1972

F.R.C.S. (Eng.) November 1976

General Surgical Accreditation June 1982

RSPP Accredited Mediator

CUBS Expert Witness Certificate

Societies:

Fellow of the Royal College of Surgeons of England

Fellow of the Royal Society of Medicine

Member of the British Medical Association

Member of the Vascular Society

Member of the British Association of Surgical Oncology

Fellow of the Venous Forum

Fellow of the Angiology Forum

Fellow of the Hunterian Society

Member of the Surgical Research Society

Member of the Chelsea Clinical Society

Member of the International College of Angiology

Member of the Academy of Experts

Member of the Society of Expert Witnesses

Member of the Expert Witness Institute

Member of the Air Squadron

Livery Man, Guild of Air Pilots & Air Navigators

Research Interests:

The aetiology, prevention & treatment of venous thromboembolic disease.

Treatment of recurrent pulmonary embolism.

The diagnosis, investigation and management of the post-phlebotic limb.

Investigation and management of diabetic foot problems.

Medico-legal aspects of surgical treatment.

Investigation of venous thrombo-embolism in airline passengers.

Examining:

Examiner for the University of London

Examiner for the United Examining Board

Administration & Committee work:-

University representative, Islington Area Health Authority (1986 -1989)

Member New Bloomsbury Hospital Planning Team (1988)

British Medical Association COMAR Representative (1989 continuing)

Member Day Case Steering Group for Day Unit

Member Bernard Sanderson Trust

Royal College Representative for Helicopter Emergency Medical Services

MEDICO-LEGAL REPORTING

- Reports prepared for both Claimant and Defendant on medical negligence and personal injury
- Approximately 250 new instructions received annually
- Areas of expertise include all general surgery, varicose veins, venous thrombo-embolism, vascular surgery, surgical oncology, breast surgery and laparoscopic surgery
- Preparation of reports for inquests, advising coroners and attending civil and criminal trials to give expert evidence

COURT ATTENDANCES

2015 2

Able to give evidence in court in England, Wales and Ireland.

Number of trials and coroner's inquests attended by year:

1993 – 8	2005 – 6
1994 – 8	2006 – 2
